

**FASTENER
FAIR** USA

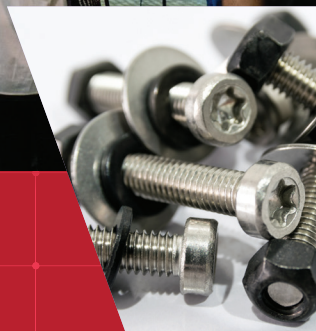

EXHIBITOR PROSPECTUS

May 22-23, 2024

Huntington Convention Center of Cleveland
Cleveland, OH

WELCOME TO FASTENER FAIR 202

Fastener Fair USA is the premier exhibition in the U.S. dedicated to the full supply chain. From automotive to aerospace, construction to furniture, energy to marine, fastener decision-makers and implementers from every segment of the market find the latest products and technology they need at Fastener Fair USA. This event is your platform to meet with new and current customers, find distributors, identify engineering opportunities and network with fastener and fixing industry professionals.

WHAT DO EXHIBITORS SAY ABOUT FASTENER FAIR USA?

[CLICK HERE](#)

//

"I think Fastener Fair USA is one of the best shows out there in our industry. They listen to their customers. Last night's networking event was probably one of the best networking events I've been to. The space was fantastic, the music, the venue, the food... They're creating such a buzz in the industry that they're going to take over the industry when it comes to trade shows."

- Lori Coar, Aluminum Fastener Supply Company

"This is my third Fastener Fair USA now. I've seen the growth over the years, both in participation from vendors as well as from users and other distributors. There's a ton of information to be gathered here for anybody who's interested in fasteners and uses them regularly. Really if you have anything to do with Fasteners you should be here."

- Dan Jaram, Brighton Best International
